Dear Parent/Carer,

Year 9 Parents' Evening Thursday, 17th March 2022

You are warmly invited to the Year 9 Parents' Evening on the afternoon and evening of **Thursday, 17th March 2022** from 3.45pm to discuss your child's progress with their teachers.

We are continuing to use the system developed by SchoolCloud. Once logged into this, it will allow you to both book appointments with your child's teachers before the evening, and then, on the evening itself, to speak to them online or face to face.

The system will open to allow appointments to be made from 6.00pm on Friday, 11th March 2022: [click here](#) to make your appointments. The appointments booking window will close at 12.00pm midday on Thursday, 17th March.

You will be given the option to arrange face to face appointments or virtual appointments. Once you have selected your preference, you will be taken to the next set of options that will allow you to reserve your appointment time(s).

It should be a fairly straightforward system to use to make these appointments. A helpful feature for virtual appointments allows more than one parent/carer to be on the same video call from more than one device. For further information and support in this regard please [click here](#).

As usual, students are encouraged to sit in on the meetings. The appointments for both face to face and virtual appointments will be 5 minutes in length in order to allow most parents the opportunity to speak to their child's teachers; unfortunately for some members of staff, who teach more than one Year 9 class, it still will not be possible to accommodate every request within the allotted time. A list of members of staff who teach more than one class is underneath; if the report issued in November suggests your child is doing well and achieving highly, then unless you have any pressing questions, the appointment in these cases might be more needed by someone else. The members of staff who teach two or more classes are:

Mr Fenton	Business Studies	Mrs England	Product Design
Mrs Ellingham	Computer Science	Ms French	English
Mr Houlding	Computer Science	Miss Bracey	English
Mrs Lawrie	Drama	Mrs Morgan	English
Mrs Buxton	Food Technology	Miss Levine	Geography
Miss Lay	Geography	Mr Dale	Geography
Mrs Harmer	History	Miss Banks	History

For those of you who have not used the virtual system before, there will be a timer on-screen, which will allow both the parent and teacher to see how much time is left in the appointment; at the end of this time, the system will automatically end the meeting, and both the parent and teacher will be transferred to their next meeting. In the case of face to face appointments, a timer bell will ring. Please be aware that neither the teacher nor the parent will be able to extend this beyond the scheduled appointment length, in which case, if there are any further questions, then a follow-up email or telephone conversation with the teacher might be appropriate. If you wish to follow up, please use admin@cchs.school with the teacher's name included for attention.

Parents / Carers who have made face to face appointments should enter and leave the school through the Walton Road gates. As you approach the front of the school proceed around to the right and enter through the pupil entrance. Clouds Restaurant is to the left whereupon you will see the teacher(s) with whom you have made appointments. The face to face part of the evening will end promptly to allow staff to transition to the virtual part and complete these appointments on time. Parking on the school site will be very limited. If you park on Walton Road, please be considerate to our neighbours.

We look forward to seeing you online on Thursday, 17th March, and hope that you have an informative and successful evening. If you have any feedback relating to the online system following the evening, please let me know.

Yours sincerely,

A Kidd
