21st April 2022

Dear Parent/Carer

Year 10 Careers Appointment

Over the next 12 months, as well as working towards their GCSEs, your child will have to make some big choices about their future. There are a lot of different options to think about and choosing the right one can be daunting.

To support your child, we will be offering them a pathways planning meeting with a careers advisor starting next week. This will be one hour and fifteen minutes long, and will consist of a careers interview and the opportunity to research all the different options that are open to them.

Your child's form tutor will confirm the date, time and location for the appointment. Please encourage them to turn up promptly at the start of the period. They will also get a record of the conversation with targets for their career goals for you to discuss with them following the meeting.

Before the meeting it would be useful for you to discuss with them their career goals and options. You may find our careers hub a useful starting point. The [careers hub](#) has a lot of useful information about colleges, apprenticeships, and university, as well as a parent's guide. Click the Link [HERE](#) to access the hub.

If you have any questions about the meetings or would like some support please get in contact with our careers team through the CCHS admin email – admin@cchs.school

Kind regards

A Cooke
