

CCHS Weekly Mailing

Friday 11th June 2021

Welcome to the latest issue of the Weekly Mailing, please take a look at the whole school notices and those relevant to your child's year group. The weather has been glorious this week, and while we all love the sunshine it is important to remind students that they must bring their own water bottle into school. There are water stations in Clouds restaurant for students to top up at break or lunchtime to ensure they keep hydrated and avoid suffering from headaches during the school day.

Along with water bottles, please remind students of the importance of bringing in everything that they need each day – pens, pencils, packed lunch and PE kit for example as we may not be able to deliver forgotten items.

Whilst the warm weather continues into next week, students are not required to bring or wear their blazers in school. We will review this next Friday, i.e. 18th June.

It is important to note that until we are advised otherwise by the government, we are still exercising caution with regards to social distancing and year group bubbles, and respectfully request that parents do not come into reception without a mask (unless exempt). Additionally, should you wish to meet with a member of staff, please contact admin@cchs.school or call reception on 01255 424266, in the first instance, this will avoid any disappointment if the person you wish to see is unavailable.
