Higher Expectations, Raising Aspirations

## CCHS Weekly Mailing Friday 25<sup>th</sup> June 2021

Welcome to the latest issue of the Weekly Mailing, please take a look at the whole school notices and those relevant to your child's year group.

Whilst there has been a slight delay to the lifting of all restrictions and we have had to amend some of our plans, we are very excited about the final few weeks of the academic year. There is a lot planned to acknowledge and celebrate the achievements of our students, whether this be through individual awards or an opportunity to have fun on 'Inflatables' Day' for those students whose attendance and behaviour has been amazing since we returned in March.

We are almost there, 16<sup>th</sup> July marks the end of the academic year and 19<sup>th</sup> July could be the end of restrictions, let's keep going and look after each other. Please continue to complete LFD tests twice a week with your child/ren and record the result; you can also obtain home-testing kits for your family, this way we can all help to keep our community safe.

Have a lovely weekend.
