We would like to invite you to attend our face-to-face Sixth Form Parent Consultation Evening on Thursday, 27th February 2024 between 3.45-6.45pm. This important evening provides you with an opportunity to speak to your child's teachers about their progress and wellbeing.

We will be using the system developed by SchoolCloud, to make face-to-face appointments. Once logged into this, it will allow you to book appointments with the appropriate subject teachers.

The system will open to allow appointments to be made **from 6pm on Thursday, 13th February**: click [here](#) to make your appointments. The appointments booking window will close at midday on Thursday, 27th February. If you do not have access to the internet, please contact the sixth form using the details provided in the footer and we will help make alternative arrangements.

Consultations with teachers will be completed in the Main Atrium at Sigma Sixth Tendring. Please enter and leave through the front of the building and past the main reception. We would appreciate that you arrive promptly for your appointment. Tables will be set up with name cards to help you locate subject teachers.

During the evening there will also be the chance to visit our careers and work experience stands and meet with members of the sixth form team .

We look forward to seeing you in person on Thursday, 27th February, and hope that you have an informative and successful evening.
