Essex Teaching Awards 2021

As with most celebrations over this past year, things have not been able to happen as we would have liked, this includes the annual Essex Teaching Awards. This year our nominees swapped the ceremony at Hyland House in Chelmsford for the steps of Clacton County High School, not quite the 'swish' venue as in previous years! Nonetheless, still some well deserved acknowledgements were received in recognition of their contributions to education and their inspirational work: Mr Taylor, Head of School, the Inclusion Team led by Mrs Bartrum our SENDCo, Miss Merrell from the Music department and Miss Cotton from the Maths department. On behalf of the entire school community, congratulations to our worthy nominees. However, it is worth extending this praise by saying a huge thank you to all CCHS staff, a committed and dedicated group of people who always work so hard for the young people of this school.

Year 11 Prom 2021 - 'Hire' Initiative

Ahead of the Year 11 Prom on 1st July, Pastoral Leader, Miss Townsend has organised a small prom 'hire' service in school. The [CCHS Prom Dress microsite](#) contains photos and details of a number of the dresses available and more donations are arriving daily. This has been created as a free service, all we ask is that they are returned in good condition. The majority of the dresses are brand new, still with their tags attached, and have been donated by high street boutiques. We are exceedingly grateful to numerous boutiques, including 'Amazing Grace', 'Blue Poppy Boutique', 'Nina's' and 'Abigail's Collection & the Groom's Room', for their generous donations. If you are interested in borrowing a dress, or for further information, please email the school - admin@cchs.school and mark for the attention of Miss Townsend; she will then make contact to sort out a dress. In addition, we have a number of discount vouchers for 'Amazing Grace' and 'Blue Poppy Boutique' for prom dress purchases – students can find out more details from Miss Townsend in school.

For the boys, there are a very limited number of suits available for hire. The year 11 pastoral team will be happy to assist, if they can, so students should not hesitate to pop and see them outside of lesson times. If anyone has a suit that is new or in really good condition that is no longer required, again we would be delighted to receive these donations for our students.

Exam Certificates – Summer 2020

Please can we advise our former Year 11 and Year 13 students that they can now collect their summer 2020 GCSE, BTEC and A-Level certificates from our main reception during school hours. Please bring a proof of identity, as these are important documents that you will need in the future. Please share this information with any families of former Year 11 students, who have not joined our Sigma Sixth form, or former 13 students who would need to collect these important certificates.
