eScooters - Important Notice to Parents

Please be advised that eScooters, or any form of 'powered transporter', are not permitted on the school site at any time. If a student brings any of these onto the school site parents will be contacted and asked to come and collect the item from school. eScooters must not be ridden on the school site at any time. It is important to note that, under current UK law, it is illegal to use a powered transporter on a public road or in spaces that are set aside for use by pedestrians, cyclists, and horse-riders; this includes on the pavement and in cycle lanes. Any person who uses a powered transporter on a public road or other prohibited space is in breach of the law and is committing a criminal offence which can be prosecuted.

Sports Leaders Lend-a-Hand at special Sports Day

For a number of years our Sports Leaders have been assisting with the annual sports day at Shorefields School. They were back in action this week, assisting at the special activity morning. Fourteen of our Year 9

Broader Curriculum Sports Leaders thoroughly enjoyed interacting with the children by leading all eight activities that formed their sports morning. The Sports Leaders immersed themselves by helping the children participate in as many of the activities as they could, and were praised for their enthusiasm by numerous members of the Shorefields' staff and parents. They also joined in the finale of the morning, dancing around with the children doing the Hokey Cokey, much to their delight! It was heart-warming to see the compassion of our Sports Leaders as they supported Shorefield School students – well done to them all!

Perseverance Leads to Achievement

A couple of years ago we highlighted the sailing achievements of Daniel, who is now in Year 10. Back in 2022, Daniel was taking part in weekly sailing lessons for disabled children at Alton Water in Suffolk and reached a big milestone when he started sailing solo around the reservoir; a fantastic personal achievement. Not being held back by his disability, Daniel then took on his next challenge to learn a martial art. After joining EDGE Choi Kwang Do, and despite the many challenges Daniel faces, he has recently been successfully graded to be awarded his IL Dan (1st degree) Black belt in Choi Kwang Do. Well done Daniel another a fantastic personal achievement!

CCHS Boxing Intervention Programme

Since early March we have been working with The Reach Group, a community projects group that help support children and young people. Their tailored programmes and interventions help those who struggle to succeed and regulate themselves in a mainstream school. They use the sport of boxing, combined with group mentoring, to help develop students' behavioural and emotional regulation. A number of our Year 8 students have been participating in the special boxing intervention, led by project founder Tom Paget, and have shown incredible progress. It has been amazing to see them develop each week and ultimately enjoy themselves, whilst learning key skills for the future through the discipline of boxing. Next year we are expanding the programme to allow even more of our students to benefit from the project.

Footballers through to the District Finals

Having won the Coastal Schools league back in October, our Year 7 footballers have triumphed against Philip Morant school, from the Colchester Schools League, in the quarter-finals at the end of April. This week they played against Colne Community College in the District semi-finals, with a place in the final in Colchester at stake. The team had a fantastic game, under the leadership of manager Mr Debenham. They took command of the game from the kick-off and despite a strong Colne team, continually testing the CCHS defence, the team were soon a goal up after a fantastic long-range shot from Jake, which sailed into the top left corner of the Colne net. The team's supporters, complete with drums, went wild - their continual chanting throughout the match certainly lifted the atmosphere, giving the game that true semi-final feeling and a big lift for the team.

On top of their game, the CCHS defence and mid-field players continued to push the ball up the field to their forwards, constantly looking for that second goal. However, but Colne were having none of it, testing the CCHS goalie with a number of on-target shots, which were cleanly taken care of. Numerous tactical substitutions kept the pressure on Colne and, as the game moved into the second-half, it was looking like CCHS were heading for victory before a lapse in concentration gave Colne the equaliser they needed. With the scores level at full-time, the game went into extra-time with the prospect of penalties looming fast. The CCHS squad reverted back to their starting eleven and piled on the pressure, with Jack scoring in the opening minutes of the additional time; it was then just a case of defending their lead for the remainder of the game which the team accomplished with ease. Well done to Archie, Ronnie, Mylo, Jacob, Vinnie, Jake, Noah, Harry, Albert, Harry, Jack, Max and Ashton, for their 2-1 victory and good luck for your first District final.
