Annual Royal Society of St George Parade

Last weekend, three CCHS students took part in a special parade in Central London. Various cadet forces joined The Royal Society of St George for their annual wreath laying at the Cenotaph in Whitehall, ahead of St George's Day this week. After forming-up at the Foreign and Commonwealth Offices, the hundreds of Sea, Marine, RAF and Army cadets, all parading in their No.1 uniforms, marched onto Whitehall and towards the Cenotaph for the ceremony. Laura and Brooke (Year 8) are Senior Sea Cadets, whilst Adam (Year 9) is a Royal Marine Cadet; they all attend Walton on the Naze Sea Cadets and Marine Cadet Corps.

Opening the Eyes on Careers – CCHS Alumni in Action

This week we welcomed two former students back to CCHS for a special Careers Alumni day. Joe and Taryn now work for Porsche and they brought a couple of cars along for the students to have a look at. Several lucky students also had the opportunity to actually sit in the cars and explore the various gadgets inside. Our alumni spoke to a number of students about their time at CCHS and explained about the career pathway they each followed to lead them into working for Porsche. They highlighted the importance of their time at school, not only to achieve the best exam grades possible, but also the importance of participation in any additional enrichment activities available, both at school and in their free time.

This can help boost CVs and support students to realise their future career ideas and aims. Many thanks to Joe and Taryn for taking a day out of their busy schedule and we look forward to working with Porsche in the future for various career days and work experience opportunities.

CCHS Staff Bake-Off Challenge

At the end of the spring term, one of our Food Technology classrooms was transformed into a battleground of buttercream and flour as the Pride and Diversity Group hosted the much-anticipated Staff Bake Off; another of their baking challenges. This time the aim was to raise money for NEST, the North Essex Support Team and the local branch of the RSPCA charities. Teachers, senior leaders, support staff and even a few brave students, came together armed with mixing bowls and spatulas, ready to whisk their way to victory. The teams were randomly assigned and each team was handed various recipe cards - from classic chocolate chip cookies to much anticipated chocolate brownies and millionaire's shortbread. The energy in the room was positively electric! There was laughter, the smell of freshly baked goodies and a competitive spirit that could rival the Great British Bake Off itself. It was a delight to see everyone coming together in such a fun and enthusiastic way. Of course, every Bake Off needs its winners, and this one was no exception. Taking home the coveted title of Bake-Off champions was none other than Mr Dorléans, Mrs Mills and Mrs Rose, with their mouth-watering Red Velvet Cupcakes. In addition to the main competition, there was also an Imaginative Apron contest, won by Mrs Bassett and Mrs Mills for their stunning matching apron designs; they truly stole the show. All in all, the Staff Bake Off was a great success, filled with laughter, camaraderie, and, of course, plenty of delicious treats. A huge thank you to the Pride and Diversity Group for organising such a fantastic event, and to everyone who participated and made it an event to remember. All the staff creations were then sold during break in Clouds restaurant the next day, raising a magnificent £240 which was split between the charities. Many thanks to everyone who was involved and everyone who bought a cake to help support the charities.
