What to do if your child is unable to participate in PE...

This week the school office has taken several calls about students not being able to take part in PE lessons. Here's what to do - Please write a note for your child to give to their PE teacher, explaining the reason why your child is unable to participate in that particular lesson. A note is required for each PE lesson they are unable to participate in. Students who are unable to participate in PE must still bring and change into their PE kit. They will still be required to assist and engage with the lesson even without active participation.
