

Clacton County High School

Year 8 Assessments - March 2024

Year 8 Assessment Timetable – March 2024

For these assessments you will attend your normal timetabled lessons and your normal teachers for that lesson will facilitate exam conditions for your assessment – as timetabled below. Each assessment will be 60 minutes in length.

In a lesson prior to your exam lesson, your subject teacher will deliver a revision lesson - teaching revision techniques and providing resources for your independent revision. At the end of this Revision Lesson you must take home your resources to help you prepare for your exam independently.

Write on this table when your assessments will be to help you organise your time.
English and Maths have been done for you, the dates of all others will be given to you by your subject teachers.
