Higher Expectations, Raising Aspirations

Return to school Lateral Flow Testing – 2nd & 3rd September 2021

In September, we are organising in-school Lateral Flow Device (LFD) tests for all students prior to their return to school. Students will be tested in their form groups, please make a note in your diaries of the time and day when your child needs to be in school for their LFD test.

Testing will take place in the school gym – students should make their way directly to the Gym and enter from the field side of the building, following the instructions of the marshals.

Please remember that your child will be in the next year group from September.
