All year groups:

- All items of uniform should be clearly marked with the full student name so that if lost, they can be returned to the student as soon as possible.
- Personal adornments - including any type of facial piercing - such as nose studs, large hooped earrings and necklaces are not acceptable and have to be removed. Students who come to school with a facial piercing will be expected to take it out and a refusal to do so could mean they are removed from lessons until they have done so. Whilst ears may be pierced, each ear should only have one stud.
- Hair - only natural hair colours; e.g. no blue, pink, red, purple, green and no extreme hairstyles. Any student who comes to school with hair deemed unacceptable could be removed from lessons until their hair meets our expectations.
- Fingernails - must be an acceptable length and a natural colour, and should be of an appropriate length for school so as not to contravene health and safety, and be appropriate and for participation in PE, or technology subjects. False nails are not permitted.
- Makeup - must ensure that it is discrete and appropriate for the school environment
- False eyelashes are not permitted.
- Socks - plain black or white socks only and these must be worn below the knee.
 - Outside garments - which are not part of school uniform should not be worn when inside the school building under any circumstance. On entering the school premises at the start of the day and following social times, garments should be removed straight away.
